## Community of Character™

A Sponsor Funded Team Building Tool that Supports the Community and Sponsors

*How this fundraising program works & sponsor benefits ...*

### Executive Summary:

The Community of Character is a sponsor funded team building tool for ages 5 to 105, designed to quickly **make connections and build relationships**. It can help with fundraising efforts of up to \$6,000 to \$17,000+ to support the Host Sponsor programs.

- As shown on the front of every team building card, the Sponsors exemplify working together to build unity, community, connection, character, leadership and teamwork through active learning. The 5" x 7" oversize team building cards are used to facilitate Ice Breakers, Mixers, Energizers & Problem Solving Team Challenges with 12 "Learn By Doing" character, leadership and team development activities. Complete and simple instructions are included.
- The Host Sponsor invites 12 additional Sponsors to support the program for \$2,000 each. A total of \$24,000 is raised and the Host Sponsor receives 25% which is \$6,000.
- The Host and Sponsors' full color logos are printed on all 52 team building cards. All 13 Sponsors will receive 40 team building decks for an initial production run of 520 decks.
- These activities can be used for internal team building and leadership programs; as a networking tool at meetings, events, workshops and classrooms; as promotional items and giveaways with business transactions; or as community donations to non-profit organizations and schools for their "Learn by Doing" character, leadership and team building programs.
- The Community of Character™ Team Building Tool creates visibility and brand awareness for the Host Organization as well as the Sponsors. With the initial 520 decks, there are 27,040 printed impressions. Depending on how many times the team building tool is used or otherwise publicized, there are up to 2.7+ million promotional impressions.
- At the time of the initial order, the Host and other Sponsors have another promotional opportunity to purchase additional decks in increments of 25 for only \$25 each. For example: \$1,250 = 50 additional decks. The Host Sponsor also receives 25% of the revenue from the additional decks purchased.

"The fun questions [The BIG Questions] opened a lot of conversation. It's great for networking ... [the team building card, Give a Positive Attitude] ... Get a Positive Attitude is the answer to everything."

~ Nancy Hayden, Glastonbury Chamber of Commerce
